(English Version.)

1. Let us now in youth rejoice,  
 None can justly blame us;  
 For when golden youth has fled,  
 And in age our joys are dead,  
 Then the dust doth claim us.
2. Where have all our fathers gone?  
 Here we'll see them never;  
 Seek the god's serene abode  
 Cross the dolorous Stygian flood;  
 There they dwell forever.
3. Raise we, then, the joyous shout,  
 Life to Alma Mater!  
 Life to each professor here,  
 Life to all our comrades dear,  
 May they leave us never.
